EDUCATION / TRAINING

The Iron Yard Academy - St. Petersburg, FL
Jan-Apr 2015
- Backend engineering - Ruby on Rails

PROFESSIONAL EXPERIENCE

InterBay Applications - Tampa, FL(Contract)
March-May 2016
Junior Ruby on Rails Developer
- I was brought on into the team as the first junior developer. I was responsible for building out the company's backend administration site using ActiveAdmin and Ruby on Rails.

SalesMakers Inc. - St. Petersburg, FL
June-Oct 2015
Junior Ruby on Rails Developer
- Focused primarily on building a sales portal add-on to a custom-developed CRM platform, which used a Ruby on Rails/PostgreSQL stack.
- Was responsible for creating a Vonage inventory management system used by Vonage Representatives and managers.

The Iron Yard - St. Petersburg, FL
Jan-Apr 2015
Ruby on Rails Engineering
- I was apart of the Rails engineering cohort in Tampa/St. Petersburg, FL where I learned full-stack web development in a comprehensive 3 month course. Within the course, I learned major foundational technologies such as, Ruby, Ruby on Rails, Git, Bootstrap, Foundation, HTML, HAML, JQuery, CSS, Sass, JavaScript, Test driven development, etc. I roughly spent about 45-55 hours a week at the campus studying and building web applications for our assignments.
- Involved in pair programming with several of my classmates to debug any issues I came across.
- Developed my final web application, Gift-Garage which allows users to organize and track gifts purchased for friends and family.

T-Mobile - Tampa, FL
Aug 2013 - 2014

Financial Care Representative
- Proven Customer Service skills, coordinated payment extensions
- Provided customers with information concerning the variety of rate plans

- Continuously met and exceeded designated metrics

<u>Bank of America</u> - Tampa, FL
Dec 2012 - Aug 2013
Bank Teller

- Ability to communicate with customers of various levels.
- Assisted customers with financial transactions, information regarding account status.
- Reviewed individual customer status, informed qualifying customers on promotional offers.
